Urbany

61x61 24"x24"

Una collezione in gres porcellanato ispirata ai toni neutri dei pavimenti in cemento spatolato. La grafica digitale crea con precisione le sfumature e le tracce superficiali delle lavorazioni manuali, arricchite dagli effetti di invecchiamento del tempo. La gamma dei colori si sviluppa in quattro morbide tonalità contemporanee.

A collection of porcelain stoneware inspired by the neutral colours of smoothed concrete flooring. The digital graphics create the exact shading and surface marks associated with handmade products, enriched by the passing of time. The range of colours includes four soft and contemporary shades.
